

# WELCOME to Class Chemistry Method

## Semester 201

Ann Osman

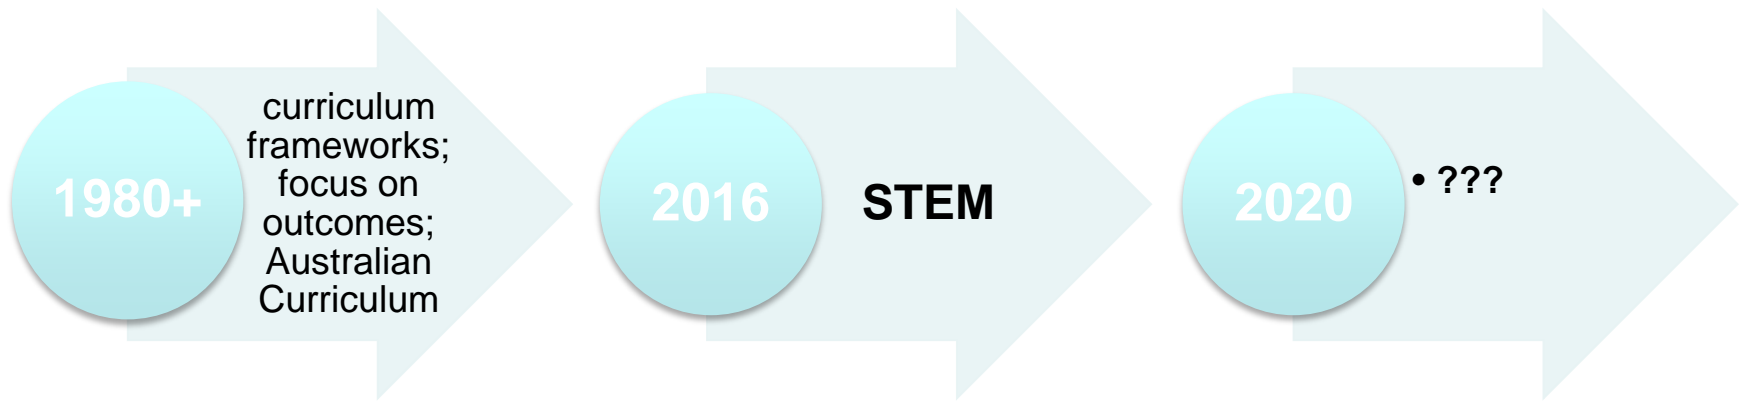

# Conceptualising and contextualising STEM in an Australian context

Deakin STEM Education Conference  
5 October 2016

Ann Osman  
**University of Melbourne**

# The journey

- Why are we here today?
- How did we get here?
- Where are we going?
- When and where will the journey end?
- Who is leading?
- Who are the passengers?
- How will we know if the journey has been worthwhile?

- What is it?
- Why prominent now?
- Who is the Authority?
- Who is STEM for?

# Building our understanding STEM

- Investigating the Authority of STEM
- Views and opinions of eminent people in STEM
- Place of STEM in contemporary education
- STEM Education and strategies for implementation

# THANK YOU
